

1st SV SWLers contest

The «Aegean DX group»© announces the first radio listeners contest.

The SV-SWLers contest starts at 00:01 GMT of the 1st of January of 2018 and ends at 23:59 of the 31st December of 2018. It addresses every SWLer.

Listen to as many radio stations you can, in the Short Waves bands as well as the Medium waves ones and the Long waves.

Write in your participation log, the name of the station, the kind of the radio programme you've listened, e.g. music, speech or the news and such, date and time (GMT) of the hearing as well as the quality of the signal of the radio station in SINPO code, inside the log.

Ask for a QSL card from the radio station that you have listened to.

In addition to receiving reports and QSL cards of radio stations, receiving reports from a hearing NDB, NAVTEX and YADD are being accepted too.

Moreover, radio amateur stations **only with special call signs**.

Every radio station or other station is logged only once from every location of broadcast.

Rating: Every log counts for 1 point.

Every QSL card that is included in a log will have the following multipliers:

A. Amateurs radio station hearings **X 10 (only for special call signs)**

B. Broadcasting Radio station hearings **X 50**

C. NDB station hearings **X 200**

D. NAVTEX station hearings **X 250**

E. YADD station hearings **X 300**

F. **Grimeton Radio (SAQ) station hearing X 2000 during "Alexanderson Day" and other anniversary broadcasts of the station.**

The use of receivers via the internet is not allowed.

**Participation Logs should include the following information about you:
